

INDEPENDENT AUDITOR'S REPORT

To the Members of
M/s. MAXVOLT ENERGY INDUSTRIES PRIVATE LIMITED.

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of M/s. MAXVOLT ENERGY INDUSTRIES PRIVATE LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of profit and loss, (*statement of changes in equity*) and statement of cash flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information [hereinafter referred to as "the Financial Statements"].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit/loss, (*changes in equity*) and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

"Information Other than the Financial Statements and Auditor's Report Thereon"

The Company's Board of Directors is responsible for the other information. The other information comprises the [information included in the X report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's

report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

OR

The provisions of the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 is not applicable to the Company since

- (a) It is not a subsidiary or holding company of a public company;
- (b) Its paid-up capital and reserves and surplus are not more than Rs.1 Crores as at the balance sheet date;
- (c) Its total borrowings from banks and financial institutions are more than Rs.1 Crores at the end of the year; and
- (d) Its turnover for the year is not more than Rs.10 Crores during the year.

2. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books [*and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.*]
 - (c) [*The reports on the accounts of the branch offices of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.*]
 - (d) The Balance Sheet, the Statement of Profit and Loss, (the Statement of Changes in Equity) and the Cash Flow Statement dealt with by this Report are in agreement with the books of account [*and with the returns received from the branches not visited by us.*]
 - (e) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (f) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - (g) Since the Company's turnover as per last audited Financial Statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017;

OR

With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

NOTE-22

1. Significant Accounting Policies:

Basis of preparation:

The financial statements have been prepared and presented under the historic cost convention on accrual basis of accounting, in accordance with generally accepted accounting principles ("GAAP") applicable in India. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') and pronouncements of the Institute of Chartered Accountants of India, the provisions of the Act (to the extent notified).

Key Accounting Estimates and Judgements:

The preparation of standalone financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognized prospectively.

Significant Accounting Policies:

The significant accounting policies used in preparation of the standalone financial statements are as under.

2. Property, Plant and Equipment:

- Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition or construction of property, plant and equipment comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts, rebates and any directly attributable cost of bringing the item to its working condition for its intended use.
- Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance cost are charged to the standalone statement of profit and loss during the period in which they are incurred.
- Gains or losses that arise on disposal or retirement of an asset are measured as the difference between net disposal proceeds and the carrying value of property, plant and equipment and are recognized in the statement of profit and loss when the same is derecognized.
- Depreciation is calculated on pro rata basis on straight-line / WDV method based on estimated useful life prescribed under Schedule II of the Companies Act, 2013. Freehold land is not depreciated.
- Intangible assets purchased are initially measured at cost.

3. Impairment of Assets:

During the year, the Company has undertaken a review of all fixed assets in line with the requirement of AS-28 on "impairment of assets" issued by the Institute of Chartered Accountants of India. Based on such review, no provision for impairment is required to be recognized for the year.

4. Depreciation and Amortization:

Depreciation on the fixed assets is provided as per the period prescribed in Schedule II to the Companies Act, 2013 as to charge off the cost of assets to the Statement of Profit and Loss over their estimated useful life.

5. Employee Benefits:

Short-term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered. No need for ESI & PF as the number of employees is below the required limit.

6. Inventories:

Stock in trade, stores and spares are valued at the lower of the cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Cost of stock in trade procured for specific projects is assigned by specific identification of individual costs of each item. Costs of stock in trade, that are interchangeable and not specific to any project is determined using the weighted average cost formula. Cost of stores and spare parts is determined using weighted average cost.

7. Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest, exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost and other costs that an entity incurs in connection with the borrowing of funds.

8. Revenue Recognition:

Revenue from Operations

- Sale and operating income includes sale of products, services, etc.
- Sale of goods are recognized, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer.

9. Taxation:

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit effects of timing differences between accounting income and taxable income for the period). Income-tax expense is recognized in profit or loss except that tax expense related to items recognized directly in reserves is also recognized in those reserves.

Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the applicable tax rates and tax laws. Deferred tax is recognized in respect of timing differences between taxable income and accounting income i.e. differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

Minimum Alternative Tax ('MAT') under the provisions of the Income-tax Act, 1961 is recognized as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognized as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

10. Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

EPS – Rs.2.

11. Provisions:

A provision is recognized when there exists a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to present value and are determined based on best estimates required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

12. Cash and cash equivalent:

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term deposits with banks with an original maturity of three months or less.

13. Contingent Liability

There is no contingent liability of the company during the year.

14. Related party Disclosure

As per Accounting Standard (AS-18) on related party disclosures issued by the Institute of Chartered Accountants of India, the disclosure of transactions with the related party as defined in the accounting standard is as follows: -

Name of the Party	Relation	Transaction	Amount
Mukesh Gupta	Director	Remuneration	8,40,000/-
Vishal Gupta	Director	Remuneration	7,57,000/-

Notes on Accounts

- As per information available with the management, there are no dues payable to Small Scale Industrial Units and have also not received any claim for interest on delayed payments from suppliers under the interest on delayed payments to Small and Ancillary Industrial Undertaking Act, 1993.
- In the Opinion of the Board, all current assets, loans & advances have a value on realization in the ordinary course of business at least equal to the amount at which it is stated.
- Dividend proposed during the year- Nil.
- The Balances of Parties are subject to confirmation.
- Disclosure of loan liability from members of the company:

The Directors expressed their satisfaction with the evaluation process and outcome.

26. Secretarial Audit Report

(Section 204(1) & Rule 8A and 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

The Company not being a Company as prescribed under rule 8A & 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and amendments thereon, hence provisions of Section 204(1) of the Companies Act, 2013 is not applicable to the Company.

27. Risk management policy

The Company has identified the various risk factors, which may affect the Company. The Company has also developed and implemented a suitable policy to mitigate the risks.

28. Compliance with Secretarial standards

During the Financial Year, the Company has complied with secretarial standards issued by the Institute of Company Secretary.

29. Directors' Responsibility Statement

(Section 134(3)(c), 134(5))

Pursuant to the requirement clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013, your Directors confirm that:

- a) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures.
- b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period.
- c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities.
- d) the directors had prepared the annual accounts on a going concern basis; and
- e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

30. **Detail of fraud as per auditor's report**

There is no fraud in the Company during the financial year ended 31st March 2020. This is also being supported by the report of the auditors of the Company as no fraud has been reported in their audit report for the financial year ended 31st March 2020.

31. **Board's comments on qualification, reservation & adverse remarks or disclaimer made by Statutory Auditors:**

Observation made by the Statutory Auditors in their Report are self-explanatory and therefore, do not call for any further comments under section 134(3)(f) of the Companies Act, 2013.

32. **Acknowledgements**

An acknowledgement to all with whose help, cooperation and hard work the Company is able to achieve the results.
